

*Strength to defend the **beauty** of your home.*

 **Valor**TM
VINYL SKIRTING

With Valor Vinyl Skirting, your foundation can protect your home from harsh weather, resist damage, and make your home look modern and stylish—all while providing superior ventilation.

- Clean, modern, and innovative design
- Hidden vents for a clean appearance
- Rigid, durable, and strong
- High Performance locking system
- Easier material calculations with 1 foot-wide pieces

High-performance locking system

engineered to reduce bending, warping and twisting; providing enhanced structural integrity.

Durability to handle the wear and tear from lawn maintenance, keeping up with active kids, or withstanding the elements during landscaping projects.

Hidden vents are integrated to keep the inside comfortable and dry, while maintaining a beautiful exterior.*

Contractor friendly,
easy to estimate, easier to install

Stylish stucco finish
with on-trend color options

Recyclable & made with
Recycled Content

**Also available in solid, non-vented panel*

Strength to defend *the beauty* of your home.
